

BEAU FRIEDLANDER

Dear Beau,

Since in your letter of November 23 you don't mention having received my comments on the contract, ~~I'm assuming that you haven't~~ which I mailed on November 3, I assume you hadn't received it by the 23rd, so I'm sending you another copy of it, in case the first copy got lost in the mail.

Under separate cover I'm sending you another letter dated Nov. 30, with a copy of my letter to Greenberg.

Best regards,

Ted Kazzyusha

P.S. At least 4 letters that I've sent since coming to the ADX have unaccountably disappeared in the mail. Here is a list of the dates of all the letters I've sent you prior to November 30, so that you can check whether you've received them all:

August 27, 1998	November 1
September 15	" 3
" 27	Mailed November 3: comments on Contract
October 9	November 9
" 21	" 13
" 26	" 19
" 27	" 29
